

# Tom's Galveston Real Estate

*Talk to Tom's Team!*

## Message from Tom We are Here to Help!

**In these uncertain times we want you to know that we value your business and we continue to do all we can to help you buy, sell and lease Galveston.**

**We are working from home and want to reassure you that most aspects of the real estate business can be completed online and by phone. For our sellers we will continue to market and advertise your listings and are looking at additional marketing solutions such as 3D virtual tours. As recommended by the Texas Association of Realtors we are not hosting Open Houses at this time.**

**For our buyers we are taking necessary safety precautions when showing you homes. We can use online systems for signing contracts.**

**We continue to get advice from Texas Association of Realtors. This professional body continues to adapt to the situation by introducing measures such as a COVID19 addendum allowing for a 30 day extension on residential sales.**

**If you have any questions please Talk to Tom's team today!**

**We will get through this together. Your friends and family are in our prayers.**
