Timeless style from award-winning luxury goods designer

International designer Karim Rashid has created modern, timeless interiors for the USNB Building luxury apartments.

He is one of the world's most prolific designers having won more than 300 awards in 40 countries and having worked for some of the leading luxury brands including Veuve Clicquot, Alessi, Hugo Boss and Kenzo.

Charcoal, putty, silver, and white make for a beautifully neutral backdrop for your own sense of style. The fixtures and finishing are of the highest quality and feature Italian ceramic tiles, chrome and brushed steel.
