

Be Hurricane Ready

Your Hurricane Season Prep Checklist

Surging rains, high-impacting winds and devastating floods can wreak havoc on our lives and everyday business. While these elements are a matter of chance during hurricane season, Stewart Title wants you to be prepared in the case of unfortunate weather events. Use this list as your guide to preparation.

Food and Water

Store a three-day supply of one gallon of water per person, per day, and non-perishable food items (canned meat, fruits and vegetables).

First Aid Kit and Medication

Fill a first aid kit with bandages, ointments, antiseptic wipes and sterile gauze pads; as well as eyeglasses, insulin, prescription and non-prescription drugs.

Tools and Supplies

Keep these items handy: flashlight, battery-operated radio, non-electric can opener, matches and candles, paper plates and utensils and cash and coin change.

Sanitation

Stock up on toilet paper, towelettes, soap, feminine and personal hygiene items, plastic garbage bags, disinfectants and household bleach.

Clothing and Bedding

Ensure each person has one complete change of clothes and shoes and undergarments as well as clean sheets and blankets to keep warm.

Baby Needs

Make sure to have baby formula, diapers, bottles, powdered milk, medications, blankets, and a fresh change of clothes.

Pet Needs

Make sure you have a leash, current ID tag and photo, carrier, food, bowl and a list of emergency numbers (vet, animal shelters, animal control).

Possessions and Documents

Keep the following items in a waterproof container: birth/marriage/death certificates, insurance policies, passports, social security cards, immunization records and deeds, stocks and bonds.

Entertainment

Have board games, books, crossword puzzles and children's toys handy to occupy time.
